CLM Specialty Construction

CLM Specialty Construction is a division of CLM Corp, a long standing service provider to the retail and food service industries. We are a full service General Contractor providing a wide range of services to include Construction Management, Consulting, Design-Build, and Specialty Construction Services.

Experienced Professionals

CLM Specialty Construction assigns highly experienced managers and superintendents to every project. Our qualified and vetted sub-contractors increase flexibility to pull additional tradesmen from our partner company, CLM Specialty Construction. This ensures that each and every project delivers high quality workmanship while maintaining the project schedule and budget.

“Very Professional team that got the Job done. I am very pleased with the work.”
